FUTURE COMPETITIONS

PT has put a great deal of effort into planning for competitions going forward. He has set out a timetable for all competitions and matches. This will ensure that the notices are posted far enough in advance for all Golfers to enter in good time. He was thanked by the committee for his endeavours.

GH confirmed that the AGM Golf will be a nine hole shotgun start game as traditional.

ANNUAL CHRISTMAS DINNER AND DANCE

CK said that despite a very low turnout it was a very enjoyable night. The numbers attending were considerably down at 63. Prior to the Covid lockdown this event was always sold out, so much so that a summer function had been arranged to cater for those who could not get tickets.

Reasons for the drop in interest were discussed at length. JW had asked many seniors in conjunction with Graham Rackham as to why they didn't attend and there were a variety of reasons which include:-

- 1 Cost. The event was £35.00 this year. TH considered this cheap as He has attended several similar Function priced £50.00 each or more.
- 2. There are still some concerns over Covid.
- 3. Some commented that they would not attend due to the formal dress code.
- 4. Is the format just like any music night? Could we change anything?
- 5. Possible effects on peoples finances.
- 6. General lethargy, as seen in the Seniors Section this year.
- 7. Comments that the food in 2021 was poor.

It was resolved that the AGM would be asked for opinions as to whether there should be future events.

CK said that after all income and expenses had been accounted for there was a shortfall of £200.00 which DN proposed should be made up from the Seniors funds. This was approved by the Committee.

The Raffle was well supported with ticket sales of £325.00. Raffle costs were £117.00 which allowed a charity donation of £208.00

ANNUAL GENERAL MEETING

JK outlined the action he has taken in preparation for the AGM. He read out the timetable of dates in accordance with the Seniors Constitution. It was agreed that the relevant notices will be posted before Christmas. These will include nomination forms for Committee positions and submissions of any motions to be considered.

JK had previously requested if he could be advised of anyone who either wished to stand down from the Committee or who wished to stand for re-election.

TH, GH, PT and JW have all served their respective time. All expressed an interest in seeking election.

DN wishes to consider his position as Honorary Treasurer due to pressure from outside commitments. He found that his duties as treasurer were manageable but the extra duties including wine and raffle purchases over and above the financial duties is too time consuming. BB suggested that the extra duties he is currently doing should be shared among other Committee members. MH volunteered to assist the Honorary Treasurer and help with these duties.

TH announced his intention to stand for the Vice Captains position.

At the last AGM it was resolved that ALL Roll Up games should be qualifying. This has not now proved popular as entries are substantially down. In fact the member who specifically requested this has not played in a single one. This will be referred to the AGM.

A motion will be agreed to propose a vote on the continuing of the Annual Dinner and Dance.
