COURTESY ON & CARE OF THE GOLF COURSE

CODE OF CONDUCT

Consideration for other players

In the interest of all, players should play without delay, when ready a stroke should be made within 40 seconds. No player should play until those in front are out of range.

Players searching for a ball should signal those behind them to pass as soon as it becomes apparent that the ball will not be easily found; they should not search for three minutes before doing so. They should not then continue play until the players passing through are out of range.

When the play of a hole has been completed, players should leave the putting green immediately.

SEE SEPARATE PACE OF PLAY POLICY

Behaviour during play

No one should move, talk or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke. The player who has the honour should be allowed to play before his opponent or fellow competitor tees their ball, but ready golf should be practiced where possible.

Priority on the course

Any match playing a whole round is entitled to pass a match playing a shorter round.

If a match fails to keep its place on the course and loses more than one clear hole on the match in front, it should allow the match following to pass.

CARE OF THE COURSE

Restore Divots, Repair Damage to Greens

In the general area, a player should ensure that any turf cut or displaced during play is replaced at once and pressed down, and that any damage to the putting green made by the ball is repaired carefully. Damage to the green caused by golf shoe spikes, scrapes or indentations caused by equipment or a flagstick may be repaired to restore the putting green as nearly as possible to its original condition.

Impressions in Bunkers

Before leaving a bunker a player should repair and smooth over any damage caused, i.e. Divots and footmarks. Please leave bunkers in the condition you would expect to find them.

Damage to Greens – Flagsticks, Bags etc.

Players should ensure that when putting down bags, or the flagstick, no damage is done to the putting green and that neither they nor their caddies damage the hole by standing close to it, in handling the flagstick or in removing the ball from the hole. The flagstick should be replaced properly in the hole before the players leave the putting green. Players should not damage the putting green by leaning on their putter, particularly when removing the ball from the hole.

Damage through Practice Swings

In taking practice swings, players should avoid causing damage to the course, particularly the tees.

Buggies

Members with buggies must report to the Golf Shop before commencement of play to check on any restrictions on the use of buggies.

Local notices regulating the use of buggies and trolleys must be strictly observed.

Always keep the buggy 10 metres clear of greens and approach areas. Never drive a buggy between a greenside bunker and green. Always use paths and parking areas where possible near tees.
