

DELEGATES MEETING - PRESIDENTS REPORT

Buckingham Golf Club, Wednesday, 22 June 2022

26th May – Inaugural Ladies Par 3 Comp – Wycombe Heights

A great *wet* day was had by all. The ladies participating, not many which is such a shame, enjoyed it immensely.

The food at Wycombe Heights was very good and all enjoyed their lunch. We gave a gross prize as well as a nett prize, so all handicaps were catered for.

So, concerns about low and high handicappers playing to together were addressed. This should be a positive factor when trying to persuade your ladies to play in this competition if we re-run it again in 2023.

The general opinion was that we should run this event again and see if ladies can be persuaded to enter next year.

30th May 2nd team leagues match vs Oxfordshire - Burnham Beeches GC

A very cold day but some excellent golf was played, a good result with a win for the 2nd team. The players play thirty-six holes, scratch, which is asking a lot, weary legs come to mind, especially when the weather is unkind.

Food as good, as always, at Burnham Beeches where the match was played.

Well played all and thank you for your company Jackie, (*our 2nd team Captain*).

1st June - MS Seniors Championship – Burnham Beeches

I have to apologise to all, as I was unable to fulfil my duties on this important day because of ill health.

Thank you goes to the Burnham Lady Captain for deputising for me being the Starter

June 2022 –

County Match Week – Leamington Spa Golf & County Golf Club.

This is the Midlands South Regional knock-out tournament between the six counties, Buckinghamshire, Berkshire, Oxfordshire, North

There was a practice round on Sunday the 12th June 2022, which went well with the weather being chilly but dry.

Monday, 13th June was the first day of competition and the girls played really well and won both the morning and the afternoon sessions.

Tuesday, 14th June second day, again some lovely golf from our team again winning both in the morning and in the afternoon this meant we could not be beaten on the last day, Wednesday.

Wednesday, 15th June, the girls won this match as well. That means BCLGA will be playing, again, in the National Team Final, at Stoneham Golf Club, Southampton on the 16th to 18th September 2022.

All the matches consisted of two foursomes and 3 singles, our girls played 25 matches in total, won 20, halved 2 and lost 3 matches, an extremely impressive result.

Well done team and helpers it was a brilliant few days and I am very proud to have been a part of it and to be part of the BCLGA.

I intend to attend the following events:-

26th June - Juniors Handicap Match vs Berkshire – Calcot Park Golf Club

3rd July - Juniors Par 3 – Abbey Hill Golf Centre

8th July - Zoom Meeting with the Centenary Committee

10th July - Juniors Summer Meeting – Huntswood Golf Club

16th July - Juniors Academy Competition – Kirtlington, Oxford.

21st July - Seniors County Championships – Harleyford Golf Club.

24th July - Juniors Scratch Match vs Berkshire - Harleyford Golf Club.

27th July - Midland South Juniors Team Stableford – The Warwickshire Golf

Lynda Hilton

County President
