### **Graded Membership**

This is specifically for people aged between 18 and 40 years old. It allows an incremental rise in price, leading to the cost of full membership, payable only at 41 years old. This graded system allows younger players to start and maintain a golf membership, offering them great value, during a very busy and ever-changing period of their life. We were one of the first clubs to introduce this system up to 40 and were recognised by England Golf as an example of best practice. It has enabled us to treble our membership in this age range.
