£99.00 bed and breakfast based on two people sharing
per room per night

The rate is full pre-payment at the time of booking and is non-refundable.

As members, there are always some basic rules of golf etiquette that help everything run along smoothly. We know there will be the odd player who may be thoughtless or careless – please don't let it be you.

Please make sure that you ALWAYS repair pitchmarks - this includes any you see which may not be your own.

As well as looking unsightly, from a golfing point of view, pitchmarks can affect ball roll and cause a player's putt to bobble and deviate offline. Studies have shown that on average, a golfer will make 8 pitchmarks during a round of golf. If 130 rounds are played per day, that's over 1,000 pitchmarks per week; no surprise then that it can be difficult to hole a putt!

It's essential that all players are diligent in their repair of pitchmarks on greens. A correctly repaired pitchmark will recover in 24 hours. An unrepaired pitchmark left unattended for two hours will take up to two months to recover.

Members are requested not to take their trolley:

Onto the greens and tees

Between a greenside bunker and the green

Onto the fringes and aprons of the green

Greenkeepers work hard to provide good bunker playability and presentation, but the team can only do so much. It is in our hands as golfers to keep bunkers looking and playing great. Doing a good job raking bunkers is an easy way to maintain good playing conditions for everyone and it's a great way to demonstrate care for the course.

We send our congratulations to Lady Captain Cheryl who been voted in as the 2023-24 President for The Society of Shropshire Lady Golf Captains. This is not only a great honour for Cheryl, but also Hawkstone Park Golf Club.

Hawkstone Park were recently proud to host the County Ladies Centenary Competition which attracted a huge field of over 150 County lady members. Organising the day was Sheila Parker and Lady Captain Cheryl Greaves and Hawkstone ladies were the winners on the day. Well done to the team of Vice Lady Captain Angela Boxall, Issi Brisbane, Liz Dutton & Angela Gwilt.

80 golfers recently competed for the Seniors' Slate at Aberdoverly Golf Club on Thursday 20th and Friday 21st October, a 36 hole scratch stableford competition. The scoring was favourable on day 1 with very little wind, but day 2 presented a little more of a challenge! Congratulations to Nigel Chesters who finished 3rd overall with a total overall of 70.

Congratulations also to Keith Forster who was the winner in Category B with a total of 68 and Nick Roberts who finished 12th with a total score of 65.
