

LIMERICK GOLF CLUB HOWDIDIDO PASSPORT SETUP INSTRUCTIONS

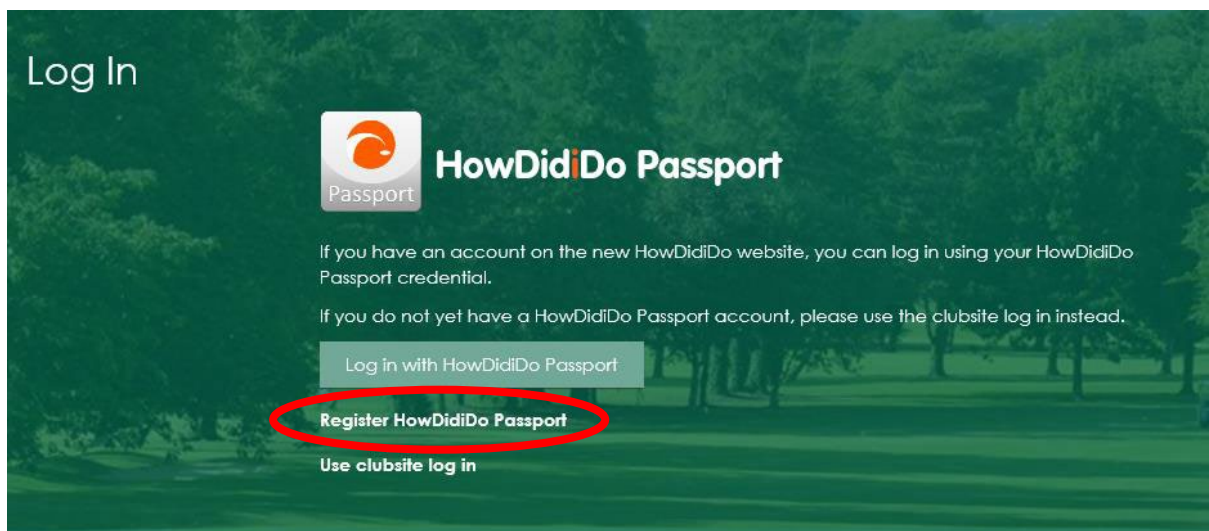

Limerick Golf Club's information systems are provided by Club Systems and the current version is known as ClubV1. The Club Website (www.limerickgolfclub.ie) is integrated with ClubV1. In addition to the Website, there is also a Smartphone App available called the ClubV1 Members' Hub. Through the Hub, you have access to all your personal and golf data, your purses, course information, club news and a great deal more. An additional app called HowDidiDo is currently used to provide Mobile Score Input (MSI) functionality, which allows remote entry and score input for competitions. This document outlines what you need to do to setup an account to login to the Website and use the apps.

The first step is to setup a HowDidiDo Passport. This is simply a Username and Password combination that lets you login to the ClubV1 world. The username is the email address that you have registered with the club. You **must** use this email address and not any other.

When you access the Website, you will see the following Tabs displayed at the top of the screen:

If you click on the **Log In** Tab, you will see the following screen:

If you do not already have a HowDidiDo Passport setup, click on REGISTER HOWDIDIDO PASSPORT (circled above). You will then be presented with the following screen:

Register Account

Registering an account is quick and easy. With a HowDidiDo Passport account you only need to login once to access multiple Club Systems services such as HowDidiDo, ClubSites and more.

Email	<input type="text"/>
Password	<input type="password"/>
Confirm	<input type="password"/>
Forename	<input type="text"/>
Surname	<input type="text"/>

Simply fill in the details and then follow the instructions on the screen to get registered. Please note that if the system tells you that it cannot find any club for you, it means that the email address that you are using is not registered with us. In that case, you will have to contact the office to make sure that the correct email address for you is on our system. You will need to validate your account to proceed.

This is a copy of the information that the club has about you, including your name, address, telephone numbers and email address. You can use this interface to update your details and they will automatically be updated on the LGC ClubV1 database. You can also upload a profile picture here if you wish.
