

## **DESIGNATED LIAISON PERSON ROLE**

Every club/organisation should designate a person to be responsible for dealing with any concerns about the protection of children. The designated person is responsible for reporting allegations or suspicions of child abuse to Health Services Executive or Social Services (NI) and/or An Garda Síochána / PSNI. It is recommended that this person is a senior club person. However, if there is difficulty identifying a separate individual to take this role, the Children's Officer can be appointed as designated person once the club/organisation is clear about the responsibilities of the each role.

The organisation's child protection policy and procedures should include the name and contact details of the designated person and the responsibilities attached to the role.

The Designated Liaison Person should have the following role:

- Have knowledge of the Code of Ethics and statutory guidelines
- Have a knowledge of categories and indicators of abuse
- Undertake training in relation to child protection
- Be familiar with and able to carry out reporting procedures as outlined in the code
- Communicate with parents and/or agencies as appropriate
- Assist with the ongoing development and implementation of the organisation's child protection training needs
- Liaise with the national children's officer in relation to child protection training needs
- Be aware of local contacts and services in relation to child protection, i.e. principal and duty social workers and their contacts
- To inform local duty social worker in the Health Services Executive Local Area Board / local Social Services and/or An Garda Síochána/PSNI of relevant concerns about individual children, using the Standard Reporting Form, (see Appendix 6). Keep a copy of this form and ensure acknowledgement of receipt of this form
- Report persistent poor practice to the National Designated Person
- Advise club administrators on issues of confidentiality, record keeping and data protection

***Children's Officers/Designated Persons do not have the responsibility of investigating or validating child protection concerns within the club/organisation and have no counselling or therapeutic role. These roles are filled by the Statutory Authorities as outlined in Children First and Our Duty to Care. It is, however, possible that child protection concerns will be brought to the attention of the Children's Officer. In this event, it is essential that the correct procedure is followed.***
