

Seniors section match V Ombersley GC away – match report

We played our home match against Ombersley only two weeks ago and won at home by four points to two. For the away match, Ombersley invited our seniors to bring seven pairs for the match rather than the usual six. The result was a win for Ombersley by seven points to none! We cannot even claim that the individual matches were close; many of our pairs suffered losses by quite large margins and many in our team were giving a lot of shots. Even so, Ombersley were worthy winners of a very friendly match between old friends. The follow-up meal was excellent and even with the heavy loss we all enjoyed an excellent day's golf.
