

# BUCKINGHAMSHIRE COUNTY LADIES GOLF ASSOCIATION

NEW DELEGATES INDUCTION PACK

NOVEMBER 2022

## **Introduction and Welcome**

Thank you for taking on the role of County Delegate for your club's ladies section. We hope that you find it interesting. We appreciate the support that you will be giving us as a vital link with your club.

This pack has been prepared with input from existing Delegates to help new Delegates settle quickly into the role. If you come across anything in the next few months that you feel could be usefully added to this pack, please let our Honorary Secretary know.

We are happy to have prospective Delegates attend our meetings with their existing Delegate to ensure a smooth handover.

## **Role of the Bucks County Ladies Golf Association (hereafter referred to as the BCLGA)**

So what is the BCLGA and what does it do?

BCLGA was formed in 1923 to encourage and promote the interests of women and girls amateur golf at all levels in the county of Buckinghamshire.

Membership of the BCLGA is automatic for all women and junior girls who are paid up members of Buckinghamshire clubs affiliated to England Golf. The annual mandatory per capita levy is collected from each club on our behalf by BB&O (which is the men's association, organised across three counties). BCLGA membership stands at 2395 with 35 clubs as at October 2018.

BCLGA is an unincorporated association with voting members. It is not a commercial business but is run as a "not-for-profit" organisation on business-like methods and standards. Our objectives are as follows:

- i. To encourage and promote the interests of women and girls amateur golf at all levels in the County of Buckinghamshire.
- ii. To employ the funds of the BCLGA and implement funding/grants from national and other bodies to further this purpose.
- iii. To arrange and regulate the County Championship and all other competitions held under the auspices of the BCLGA.
- iv. To select and support all County Teams.
- v. To uphold and abide by the Rules and Articles of England Golf (EG).
- vi. To uphold and abide by :
  - i) The Rules of Golf and Amateur Status as laid down by the R&A Rules Ltd (R&A)
  - ii) And the Unified Handicapping System (CONGU) or any other Handicapping System authorised by the National Governing body.
- vii. To be responsible for the election of Officers of the BCLGA and a Voting Member/ Representative for the BCLGA at all EG and Regional meetings.
- viii. To establish, implement and abide by:
  - i) A child protection policy and procedures
  - ii) A disciplinary procedure
  - iii) And any other policies, codes and procedures as may be advised by EG

(Extract from the current BCLGA Constitution - Oct 2018 available on our website).

The phrase "at all levels" in item i. above is key to our core purpose; in other words we have a role in developing and regulating womens's golf at all standards within the County.

These Constitutional objectives need more specific short-term targets against which the Executive Committee can be held accountable to the membership. As a result, the Executive Committee has developed a Business Plan (with input from Delegates) for the period 2020-2022, with specific short-term targets in five areas (Talent Development, Golf Regulatory Issues, Competitions, Governance and Promoting Good practice sharing between clubs). The full Plan is on the website and progress is reported at Delegates meetings and the Annual General Meeting.

### **Role of the Club Delegate**

There is official guidance on the role of the Club Delegate in the Constitution (referred to above) but in summary the role is to be a two-way communication link between the County and each club's ladies sections and their Ladies' Captains and Committees. Our preferred method of communication is via the club delegate, so we do ask you to be diligent in passing on our news and communications.

Our expectations of a good Club Delegate is someone who:

- Is proactive
- Comes to all Delegates meetings and the AGM, armed with any queries from their clubs and willing to contribute any good practice from their clubs on topics under discussion
- Actively feeds back information from the meetings to their ladies - the mechanism for this will depend on what works best in each club; it may be a notice board that is kept up to date with the latest news, it may be a report back to the Ladies' Captain and the ladies' committee, it may be active discussion direct with individual ladies or collectively at a ladies' gathering. NB we have attached a blank poster "Your Club Delegate is....." for your use.
- Promotes the BCLGA website ( [www.bclga.org.uk](http://www.bclga.org.uk) ) as a source of information, the annual Tri-fold and encourages individual ladies to "opt-in" for our newsletters
- Promotes our competitions as appropriate within their club, dispelling the myth - "I'm not a good enough golfer to enter a County competition"

The period of office is usually considered to be between 3 and 5 years, after which it is considered good practice to take a break from the role: previous Delegates may come back to the role in future years.

### **Delegate Meetings**

These are held four times a year, normally end February, early June, early September and late November/early December. The days of the week and the locations vary in order to try and suit all club delegates. Some meetings have regular activities (eg the draw for the Bucks Shield) and we try and have at least one information/discussion topic at each meeting, which promotes good practice sharing between each club. We welcome ideas for topics you would like to explore with colleagues.

After each meeting, we will send you a written summary of any information given at the meeting, so you do not need to take copious notes. We will be clear about what specific follow up actions we would like you to take.

As an incentive for attending our Delegates meetings, we normally arrange a free group coaching session with our County Coach for 45 minutes to an hour, preceding the meeting, with a 20 minute break before the meeting starts. These are popular.

Meetings last between an hour and 90 minutes.

During the Covid period, we are experimenting with using videoconferencing using Zoom, for the safety of all and to comply with Government restrictions and England Golf guidelines.
