As with the Mortimer Cup, the tradition of ladies competing was lost in post war years.

From 1949 the name of this trophy is shown as the Hodgson Silver Salver.  
The donors not only presented this salver, but gave much of their time.

Mr. Hodgson had been secretary from 1924 until 1931 and was to fill this position again from 1941 to 1944. He served as Club Captain for 1935 and 1936, as a Vice-President for many years, and as President from 1948 to 1953.

Mrs. Hodgson, a fine golfer, respected by all in Norfolk and Suffolk, was made an Honorary Member in 1937 in gratitude for her services as Ladies' Secretary. Mrs. Hodgson joined the Club in November 1923. She was elected Ladies' Captain in 1948 to 1950 and again in 1970 to 71. She became the first post war Ladies' president in 1975. This China Tankard is a replica of the original tankard which was inscribed:  
'BUNGAY Loyal and Constitutional Society Established June 4<sup>th</sup> 1795'

The Society was formed on 4<sup>th</sup> June as a response to the Napoleonic wars and the tide of republicanism sweeping through Europe. According to Ethel Mann's book 'Old Bungay', largely a social society for local 'gentlemen and tradesmen', but it appears that the members also trained as amateur militiamen, rather as a 19<sup>th</sup> Century precursor to Dad's Army!.

By 1813 the threat of invasion was over and the Society officially disbanded on 4<sup>th</sup> May.

The Society has reformed and a limited number of replica tankards were produced and Clubs & societies were approached with a view to purchase and hence the competition at Bungay & Waveney Golf Club from 2014.

In July 1934 it was decided to change from medal to a 'Bogey' competition. Was it because Miss B. Durrant won the Cup in 1933 with a score of  $107-41=66$  ( a handicap of 36 plus 6)! In 1961 he was congratulated by the chairman on the 'astonishing result' of his efforts. 'By what financial wizardry this state of affairs has been achieved I know not, but we not only congratulate you on the result you have obtained, but we heartily thank you as well.' When Mr. Reynolds died in 1972 the Captain, Mr. R.E. Deacon, spoke of him as one 'who, perhaps, did more than any other individual to save this Club from extinction'.
