COVID-19 Coronavirus

## PLAYERS' BAR

Members and Visitors

With immediate effect, to reduce the risk of COVID-19 being transmitted, the Players Bar will be subject to a **16 person maximum** capacity.

Please therefore use the Lounge Bar, up to a capacity of 36, or the patio area, if the numbers are above this limit. Please comply with the Government advice in observing the Social Distancing recommendation of 2 metres and this also applies whilst waiting for service at the bar and kitchen.

The staff have been instructed **not to serve** if these levels are not adhered to.

Thank you.

Board of Directors
