

The Committee and Staff would like to wish all our members a very merry Christmas and happy New Year.

View from the Chair.

The alterations to the course are looking good and preparations for the **AGM** are well in hand so there isn't a lot to report on just now.

We hope that we will have a lively open session at the end of the **AGM** on Tuesday 7th January 2020, so please come along to share any thoughts about what you would like your Committee to address in 2020. We need your feedback.

In the meantime, I wish all members a wonderful festive time and hope many of you enjoy one or more of the various activities being laid on within the clubhouse.

Jon Whiteley

Captains Charities 2019

Parkinson's UK & St Johns Hospice, Doncaster were the chosen charities of this year's Captains. Once again members dug deep into their pockets and raised **£5143.29** which will be presented to representatives of the Charity in the New Year.

Over £900 was raised at the Halfway House from the open events, thanks to Denise Andrew and all the others who volunteer their time to make this so successful. The charity car parking space & prize donations from Porsche raised over £500 each. And a special mention goes to David Horncastle who produced the 125th Club History book which raised over £300.

Thank you everyone for your donations and continuing to make a difference for these charities.
