

Fun Fizz and Fairways

FAQ's

Do I need any golfing experience?

No – everyone is welcome.

Are the sessions just for women?

Our **Fun Fizz & Fairways** sessions are for women only but there's a Junior golf programme running too so get in touch using the same contact details above.

There are taster sessions in the pipeline for men too. Why not register your interest as above.

Am I too old?

A large proportion of our lady members started golfing in their 40's, 50's and 60's! Many are still playing good golf well into their 80's!

Is the golf club 'stuffy'?

Far from it! Our members come from all walks of life and we all have fun (usually very noisy) together.

Do I need all the gear and special clothing?

No – come comfortably dressed and wear trainers. We'll provide the equipment.

What happens if it's raining?

Unless we are unlucky to have torrential rain then make sure you have a waterproof coat as we'll still go ahead if it's showery or light rain.

How will I know if the session is cancelled?

We will be setting up a What's App read only group so in the unlikely event that we have torrential rain we'll message you.

What happens if I enjoy myself?

We're hoping that you have such a great time that you might want to want to come to some more sessions!

What will the new sessions be like?

We will be running a series of six one-hour group lessons with our PGA teaching professional Dan Francis.

How will I sign up for those?

When we have our post session glass of fizz (or a soft drink if you prefer) you will have the opportunity to sign up for a set of six group lessons.

How do I pay for the group lessons?

At the end of the taster session you can pay by cash, by cheque or by card.

How much are the group lessons

They're incredibly good value – just £5 for each hour-long lesson!

We ask that you pay for the six lessons in one payment of £30
