

COMMUNITY MEMBERSHIP

Ripon City Golf Club is a registered Community Amateur Sports Club (CASC) and is open to the whole community, with membership options and facilities that are open to all without discrimination.

We offer a COMMUNITY MEMBERSHIP with membership fees that do not represent a significant obstacle to membership or use of facilities

It is an annual membership category at a fixed price of £500 per annum for those on low or modest incomes that are unable to pay the full membership fee.

This membership category allows full playing rights (subject to course availability) on Sunday, Monday, Tuesday and Wednesday, and the same voting rights and privileges as our main categories of membership.

Those who wish to take advantage of this reduced price category of membership can apply in confidence to the Honorary Secretary. Membership will be available upon satisfaction that the full cost of membership is not affordable to the applicant.

Additionally, access to golf equipment is available at no cost (subject to availability).
