

## **County Junior Organisers Report – Delegates Meeting 2 December 2021**

### **Update since AGM report**

#### **Training with Tony Bowers**

We had a great training session and a practice day at Oakland Park in October half term. We split the group between handicaps and these without handicaps. We had 10 girls take part and practised putting, chipping and driving before going on the course. It was an excellent day and we are very grateful to Oakland Park for allowing us to hold this at their club.

#### **Academy training**

We have been able to add girls in to the training days at Abbey Hill and Wycombe Heights and currently have 17 girls with a few more interested for next year.

#### **Funding from England Golf**

Each year we apply for funding from England Golf ( £1,400) to help with training costs and this year I put together a new pathway setting out what the training we offer will cover. This was sent to Gareth Jenkins together with our numbers and I understand that the £1,400 grant has been paid to us.

#### **New pathway**

This will be launched at the start of 2022.

#### **Pre handicap and higher handicap Par 3 Fun Days**

These are going from strength to strength. We have been meeting up each month at either Abbey Hill and Wycombe Heights and have roughly 15 girls currently playing at one or the other centre. We are really grateful to Abbey Hill and Wycombe Heights

We met up in November at Abbey Hill and hoping to keep these going through the winter albeit keeping an eye on the weather. Girls said they wanted a December competition. Cost £10 a session and putting together a poster with all the dates on. Tiddler trophy being reintroduced and will be played in July.

We meet the first Sunday of the month and the aim is to give pre handicaps a chance to keep practising to supplement the lessons they are having at their clubs
