

Halifax Bradley Hall Golf Club

Established 1907

Corporate Membership & Sponsorship Packages

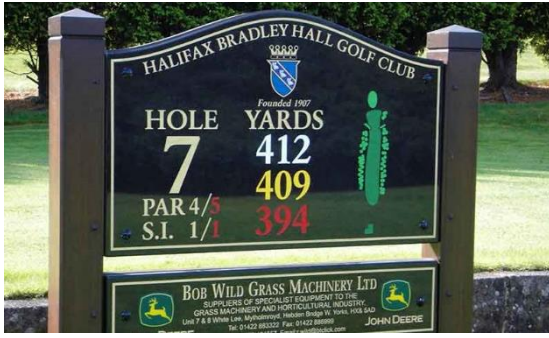

As one of the oldest clubs in the Halifax area, Bradley Hall has its roots firmly set in history as a founding member of the local Halifax and Huddersfield and District Golf Union. It enjoys one of the oldest clubhouse building's dating back to the 14th century.

It is the former ancestral home of Lord Mexborough, who's name adorns the club's championship trophy. It is a club with a fine heritage and standing in the local area as the preferred choice of 30,000 visitors a year.

Having hosted professional exhibition matches in the past and being a venue for Huddersfield Town FC, Overgate Hospice and Lloyds Plc, Bradley Hall really is the first choice of many leading names for providing a memorable days golf in West Yorkshire.

We now have the opportunity to offer you a once in a lifetime opportunity to join with our historic club and make your company name visible to thousands of potential customers by offering you the chance to sponsor a tee and take up corporate membership.

Sponsorship Opportunities

A Business Partnership

We understand that the marketing spend of a company has to be well managed planned and more importantly provide you with as good a return on investment as possible.

Here at Bradley Hall we understand the costs associated with advertising and any form of sponsorship. This is why we have put together some attractive packages which offer you not only advertising opportunities but also offer you an ideal venue to entertain your clients on your terms.

In today's increasingly competitive market, maximising your level of exposure is of paramount importance. What better way to do it than in a golf environment.

Premium Tee Sponsorship – Includes £630 worth of golf for FREE a year

We have one premium golfing package available which will allow you to promote your business, entertain your clients and obtain exposure to potential new customers.
