

What's on offer for Juniors at Bishopswood?

1. Parents will be interested to know that Bishopswood is Golfmark accredited until 2019. This accreditation shows we have carried out checks on all personnel involved in coaching children and that we maintain high levels of welfare as laid down by England Golf. Very few local clubs have this accreditation.
2. A welcome meeting with the Junior Organiser is offered on joining. This helps us understand what the junior's aspirations are and get them pointed in the right direction.
3. We run friendly junior competitions to encourage juniors to obtain a handicap.
4. Juniors with a CONGU handicap can play in all club medals and Stableford competitions as age is not a restriction.
5. Bishopswood is a member of the local Junior League and play against 7 other clubs from April until October.
6. Regular discounted coaching by Steve Ward our club professional. The club contribute 50% of the fees charged for coaching our junior members and these lessons are provided all year. Typically, a lesson will cost only £3.
7. We will refer a junior for county coaching when their performance reaches a level that our professional feel justifies this action.
8. We keep juniors up to date with news and events via our notice boards and our web site which has a dedicated section. YOU ARE WELCOME TO VISIT OUR WEBSITE. We also keep parents up to date via emails.
9. Juniors have their own club card to purchase refreshments at discounted rates.
10. We have a dedicated Junior Organiser to represent this section at committee level.
11. We have a dedicated Welfare Officer as a requirement of the Golfmark accreditation.
