

# **TRURO GOLF CLUB**

## **Winter League 2024/25**

1. The league is open to male full playing members with a handicap index of 54 or less and will run from Saturday 2<sup>nd</sup> November 2024 until Saturday 22<sup>nd</sup> March 2025.
2. **FORMAT:** Fourball Matchplay – random draw for partners and opponents will be made on the preceding Thursday morning.
3. **HANDICAP:** Max 24 Course Handicap. **ALLOWANCE** 90% of the difference in Course Handicap taken from the lowest handicap.
4. **SCORING:** Although play will be on a match play basis, all 18 holes are to be played, and the points scored by each team are determined by the final result - please see the separate sheet for the full Points Scoring Table. Essentially, the winning team will receive 18 points PLUS 1 point for each hole up PLUS 3 bonus points for winning the match. The losing team will receive 18 points MINUS 1 point for each hole down. Therefore, if Team A beats Team B 4 up, Team A will receive 25 points (i.e.  $18+4+3=25$ ) and Team B will receive 14 points (i.e.  $18-4=14$ ). If the match is halved, both teams will receive 19 points (i.e.  $18+1$  bonus = 19). Scores must be reported to the competition organisers (Andy Mortimore / Nick Pascoe) by the winning team upon completion of the round.
5. In the event of an odd number of participants, the draw will match one player against two. The lone player will start the match, 4 up when 13 to 18 holes are played and 3 up when 12 or less holes are played. Handicap allowance will be the same.
6. Where the draw leaves a single space, or members withdraw from the competition after the draw has taken place, other members may add their names to the start sheet - competition organisers (Andy Mortimore / Nick Pascoe) or the Shop Staff **MUST** be informed.
7. Where the draw matches 2 players to play a singles match, an individual player is not permitted to pair up with one of them. However, he may find another player to make up a four and add both names to the start sheet - competition organisers (Andy Mortimore / Nick Pascoe) or the Shop Staff **MUST** be informed.
8. If both players from one side do not turn up, then the remaining pair will play each other.
9. In the event that only one player turns up he will be deemed to have won the match 2up and will therefore win 23 points (i.e.  $18+2+3=23$ ).
10. Once the draw has taken place members may **NOT** change their draw times, even if another time becomes available.

11. 5 points will be deducted for failure to turn up. If any member fails to turn up 3 times they will be invited to a meeting with the competition organisers (Andy Mortimore / Nick Pascoe) and the Chairman of Competition & Handicaps to explain and then, it will be decided if any further action is required.
12. Any match NOT completing 18 holes unless specified by the club will be deducted one point for every hole not completed and NO bonus points added.
13. A player's best 7 results will count towards the Winter League Trophy. In the event of a tie at the end, the best 6 results will be taken, and then the best 5, etc. to determine the final positions.
14. In the event of competitions being cancelled the following will apply:

<b>Games Played</b>	<b>Best of</b>
10/9	7
8/7	6
6/5	5

**Please do not enter the competition unless you intend to play - withdrawal is unfair on playing partners & opponents.**

16. If you have any queries re the above, please contact competition organisers (Andy Mortimore / Nick Pascoe).
