STEVE MAKESPEACE WITH GARRY BURNS TO WIN SPRING GREENSOME

After Garry Burns drove his ball off the first to land in the branch of a gorse bush down the left, Steve retrieved the situation to put the pair back on track to win the rearranged Rabbits Spring Greensomes Competition on 20th June. Steve and Garry combined well to play excellent golf to amass

thirty nine points, three ahead of their nearest rivals, Barry Smith and Alan Gray. Also on thirty six but with a lesser back nine were Phil Brumfield and Martin Curran. Twenty four Rabbits were paired up in high/low handicaps to play their matches between the 20th and the 28th June and in most cases the weather was good for all the matches. Steve Makepeace obviously relishes this format as he won the Rabbits Breakfast

Competition, a Greensome, paired with Dave Miller back in February before Lockdown.

Results;

Winners,	Steve Makepeace and Garry Burns	39points
Second,	Barry Smith and Alan Gray	36points
Third,	Phil Brumfield and Martin Curran	36points

The pairs mentioned above will have their accounts with Dan, the Pro, credited with £15 each to the winners, £10 each to the seconds and £5 each to the third pair.

Steve has won three of the last five Rabbits Competitions, starting with the Christmas Comp. last December, the Breakfast in February and now the Spring Greensomes. A very consistent performance over the last six months.
