Mid Kent Golf Club

Dress and Club House Regulations

(Revised March 2020)

**Please ensure that all members of your Society are aware of the Dress Code
to avoid any embarrassment**

Mid Kent is a modern golf club and we consider that appropriate behaviour both in the club house and on the golf course, is far more important than dictating how an individual should be dressed.

Clubhouse

As a guideline for our members and visitors to our club, please note that any clean smart casual clothing, including denim (not distressed or ripped), is acceptable in the clubhouse, although we do ask that hats & caps are removed and gentlemen wear collared or golfing shirts that may be untucked.

We also request golfers to change from their playing attire during wet weather conditions to prevent mud being brought into the clubhouse. Any workwear should also be clean, smart and dirt free.

Spiked shoes or flip flops are not permitted in the bar areas, but clean trainers and modern pimpled golf shoes are perfectly acceptable. Golf shoes in the clubhouse are only acceptable during dry weather.

Please ensure mobile phones are switched to silent or vibrate mode and are only used in the foyer area, outside the front or rear of the clubhouse and for emergencies only on the course.

Golf course

On the golf course we accept fashion changes very quickly and our current guideline is simply that any recognised golfing apparel that can be purchased from a professional golf retail outlet is acceptable.

Gentlemen's shirts these days are designed to be worn in or outside the waistband and socks of any variety are fine.

Golf shorts should be tailored, and cargo shorts are, as yet, not deemed "golfing apparel".

**STAFF HAVE DISCRETION ON THE ABOVE AND MAY REFUSE ENTRY TO THOSE
UNSUITABLY ATTIRED**
