

Seascale Golf Club

A Warm Welcome for Visitors and Societies

Between Sea and Stunning Fells, Seascale's traditional rolling links, maintained to the highest standards, offers golfers of all levels of ability the ideal place to test their skills. Come and enjoy the setting – Come and enjoy the challenge – Come and enjoy our hospitality. Visitors may make full use of our Club facilities, practice areas, driving range, bar, lounge, dining room and changing rooms

You can expect a great day out at Seascale with our traditional rolling links with tricky greens and even trickier pin positions. Our staff will give you a warm welcome with excellent catering throughout the day. There is a busy Club calendar but we endeavour to do our best fit parties in as far as we can. Although we don't ask for handicap certificates, we know that you as well as us expect players to have a reasonable ability and good understanding of the game, to dress appropriately on and off the course and to respect the etiquette and rules of the game.

Our summer golfing season is from April through October when full rates apply.
