

# READING & DISTRICT SCRATCH LEAGUE 2021 – INVITATION FLYER

Dear Member,

Following last years postponement of the RDICL 2020 Scratch League, we now have confirmation of the 2021 season. For those that are unaware of the League, it is teams of 6 players playing in pairs against another club with both home and away fixtures and the format is 4 ball better ball scratch handicap. I have listed below the fixtures for this year. The aim is to get a squad of between 12-15 for the year with handicaps from 7 & below. If you are interested please either email me on the below or register your interest via V1 in the Teams section. You will note 1<sup>st</sup> game is end of May so looking to have confirmations by end of April.
