### **Men's Notes**

#### **Maher's Londis Choose Your Partner:**

Week 6 of the Maher's Londis Choose Your Partner Series got underway on Saturday and although many had likely abandoned their plans for golf at the weekend, we enjoyed a good entry over the two days. This week's format is a 2man champagne scramble. We again encourage those who have not yet played to join in on this series as qualification is still very much possible. The 6<sup>th</sup> leg will continue until Friday. Next weekend sees the start of the penultimate qualifying round which will be an aggregate fourball.

**Pace Of Play:** Members are asked to be aware of their pace of play. Currently it is too regular an occurrence for a fourball to take in excess of 3 hours to play 12 holes. A 3 hour 12 holes equates to a 4 and a half hour 18-hole round. Players should always be aware of losing ground on the group in front and not allow this to happen. A good pace of play should not put people under pressure but will always enhance the experience of others on the course.

**The View:** Have you visited The View Restaurant yet? The restaurant in the clubhouse operated by John and Gillian has been busy in its first few weeks and is offering excellent food. Why not arrange your fourball to take time after a round and sample the fare? You won't regret it.
