

Nelson Golf Club

A guide to our dress requirements

On the golf course and practice areas.

A tidy appearance is required:

Recognised standard attire includes polo shirts, jumpers, trousers, tailored shorts, and golf shoes.

For both gents and ladies: golf wear purchased from a golf retailer that is designed for playing golf is acceptable.

We request that on the golf course your shirt is kept tucked in please.

If in doubt: ask at the pro shop but chinos and a polo usually do the trick.

In the clubhouse.

No golf shoes or headwear please.

Thank you
