WOKING **age** 
concern

“Our mission is to promote the wellbeing of older people in and around Woking, and to treat all our clients as we would treat a member of our own family.”

Woking Age Concern is a small, local, independent charity whose aim is to give free support to older people in and around our borough.

We deliver a friendly, helpful service where we give information and support to the older residents of Woking.

If you or someone you know needs help, please contact our team and we will do our best to assist you.
