Following the hottest June day for 40 years the weather changed for our match to cool, cloudy, and very windy! A tough, hard fought match against Lancashire with many of the matches being nip and tuck all the way round. Millie Russell (Hessle), just back from a broken wrist, played way below her handicap and battled to the end, just losing out on the 18th. Another great win by Aaliyah Irwin and, congratulations to Tara Phipps (Pannal) and Cherry Marley (The Oaks) for bringing in 1½ points between them.
