

Dear Golfers

Trentham Park Golf Club is looking forward to seeing you at our Seniors' Open on the 16th September and though Covid-19 has severely altered the way we all interact you may be assured that you will receive our usual warm and friendly welcome.

We want you have the very best experience and be safe when visiting our Club and to that end we have introduced a range of measures to enable you to feel confident that we are doing our utmost to keep everyone as safe as possible.

Sanitisers will be available for use in the Clubhouse.

Please take a few minutes to read this information sheet and familiarise yourself with the procedures in place for your visit.

Prior to Arrival

If you have any changes to your team please inform us prior to your visit on telephone 01782 658800. This will minimise any delay at registration.

When you arrive

We have ample car parking and would prefer you to plan your arrival approximately 30 minutes before your tee time or 45 minutes if you are having food before you play. Access to the toilets is through the locker room but unfortunately use of the locker room itself is prohibited. There is a max of 2 people using the toilets please.

Entry to the main part of the Clubhouse closed but access to catering will be through the main entrance at the front of the building. A one-way system will be in operation which must be observed.

Entry to the bar is at the rear of the Clubhouse and again a one-way system will be in operation and a max of two people at the bar at any one time.

Registration will in the Pro shop area where you will be able to pick up your scorecard.

Our restaurant will be open for Coffee & bacon/sausage baps/refreshments and to order any meals after play, we would ask that payment is made by contactless card where possible. There will be a menu for after-play meals which must be ordered and paid for before you play.

Playing your Golf

Use the practice green as near as possible to your tee off time and at all times maintain social distancing.

We will have starters on the first tee and when your name is called please make your way towards the starter for instructions as to teeing off.

Score Cards

Do not exchange score cards, mark your and your partner's scores on your card and verbally agree the score after each hole and at the end of the round. Please place your scorecards in the box provided outside the Pro shop, these will be processed the during the following 48 hours and the results will be posted on our website. Winners will be contacted.

Local Rules

Players are required not to touch or remove flagsticks at any time.

Bunkers in Play

When a player's ball lands in a bunker he may take free relief once by lifting, cleaning and dropping his ball within 6 inches of the original spot but no nearer the hole. (No Rakes)

General

Due to the Covid-19 Guidelines there are no benches on the course, no drinking fountains and no ball washers. Please don't leave any rubbish on the course. Please observe the 2-metre social distancing requirement at all times. If you visit our Pro shop you must wear a mask or regrettably, entry will be refused.

Pro Shop

Our Pro Shop is fully open but is limited to 2 people at any one time within the shop.

We would like to remind all visitors to Trentham Park Golf Club that regular hand washing is still the best advice or to use a sanitizer where this is not possible and maintain social distancing at all times.
