

Charity Day 2019

Charity day 2019 has been an unqualified success for a number of reasons...

The weather was perfect, the course was the same.

The first team out was the green staff. One of the young men said that he had got up at 3 am to be at the club for a 4 o'clock start. What a great green staff we have and how nice to see them taking part.

We even had Charlie Stayt and Mike Bushell from the BBC attend.

We had four representatives from the Lady Captain's chosen charity, Battle Back, veterans who have been severely injured in the service of their country. Wonderful charity and wonderful to see them on the course.

Charity Day 2019

Few words of thanks

Barclays Bank; who have supported us for the last six years giving each of our chosen charities £1,000.

The New Victoria Hospital have continued to sponsor the hole in one for a car on 14. Crawford Anderson was a few inches away. Robert Hunter also caused John Parkinson's heart a few flutters whilst he was monitoring the hole for any chicanery; perish the thought.

Many thanks to **Graham Cox** for his fantastic generosity! And to all our selfless helpers throughout the day.

Our charities this year:

Express CIC
an autism charity

Shooting Stars Chase

For youngsters with end of life conditions. Also supports their families

The Fircroft Trust

For adults with learning difficulties – helped them build their Man Shed

TAG (Teenage Activity Group)

For young people with disabilities from 8 to 25 years old

Parkinson's Can Dance.

The amount raised this year brings the total raised since our first Charity Day 26 years ago to over £360,000.
