## **Information for Members on how to use the Scheme:**

To make a booking, contact the course you wish to visit (details listed overleaf) giving your name(s) and contact telephone number, and inform them that you would like to book via the 'Reciprocal Scheme'.

Proof of membership will be required either in the form of a handicap certificate or membership card.

On arrival, report to the Professional to pay the required green fees and present your handicap certificate or membership card as proof of identity/membership.

Please adhere to the 'spirit' of the scheme and the Terms & Conditions as set out below.

## **Terms & Conditions**

- The reciprocal scheme allows members of Shifnal Golf Club and our partner golf clubs to play a round of golf for the Members' Guest fee instead of the normal Visitor's fee.
- The scheme is not open to suspended, social, junior and country members.
- The scheme is only available from Monday to Friday (excluding bank holidays), subject to the availability of tee times. Bookings must be made in advance by contacting the Club you wish to visit (details overleaf).
- The offer is only open to full playing members of the partner clubs (you could not, for example, take a guest from another club to play with you unless they pay the full visitor fee).
- When paying green fees, evidence must be provided to prove that you are a member of a partner club (a handicap certificate or membership card will be sufficient).
- If no proof of membership can be provided, the full visitor fee will be levied.

- The scheme will be reviewed regularly by all participating clubs. If a partner club feels that the costs of the scheme outweigh the benefits to their members they may withdraw from the scheme giving 30 days notice but honouring any outstanding bookings at the reduced rate.
- Members must be considerate when taking advantage of the offer. The clubs will accept no more than 2 tee reservations (ie. Maximum 2 x 4 ball) per day. If more than 8 wish to play in a group, please contact the Club Secretary who can advise you on party rates. The 'passport scheme' is not available to those playing as part of a corporate event/society booking.
- Members will not be allowed to play at any partner club more than 2 times per year.
- Members must adhere to the correct dress code of the course they are visiting. Failure to do so will result in either not being allowed to play or being asked to leave the Clubhouse.
- Any partner club may, at any time, rescind a member's ability to take advantage of the scheme, if it is felt that they are not adhering to standards of behaviour or in the spirit in which the scheme has been set up.

## Fairhaven Golf Club

Green Fee: £25.00

Fairhaven is an unusual blend of a links and parkland course which is relatively flat. This makes it not too strenuous to walk around and allows complete vision of each hole from tee to green. What you will see are fairways that are generously wide but with plenty of difficulty for wayward shots in the hills and hollows which border the fairways on most holes. Fairhaven is famous for its deep rivetted bunkers and there are plenty of them to give the golfer food for thought from both the tee and the fairway.

## St Annes Old Links Golf Club

Contact the Secretary: Telephone 01253 723597

Highbury Road East, St Annes on Sea, Lancashire FY8 2LD

Green Fee: £45.00 Monday-Thursday afternoons only

While there are countless majestic holes at St Annes Old Links, the purists often rate the 447 yard 7<sup>th</sup> hole as the most difficult on the course, particularly when played into the teeth of the prevailing westerly wind. Getting home in regulation is a struggle for even the longest hitters and for most players, the decision to lay up short of the ditch, which protects the green, is a decision very well made. Each hole on the homeward journey, beginning with the short but testing par four 10<sup>th</sup> hole presents varying challenges, while the long finish of two par fives, with the railway lurking as out-of-bounds for over one thousand yards on the right hand side, demands the utmost in concentration and tact.
