

# Membership Benefits

This document is a guide to the Membership Benefits that have been pulled together for you as a member of Ashton on Mersey Golf Club. Some of the benefits you may know of but there is clarity as to how to take up the benefit plus there are several new benefits that we have developed with local businesses and others that we have approached to provide some value to you as members of Ashton on Mersey Golf Club

## Insurance

Each year you have an insurance premium added to your membership bill. This is for basic insurance cover should you be found to be negligent and cause injury to another person or cause damage to a third party whilst playing or practising golf.

Please note that this does not cover your own Clubs or equipment and we would advocate you take out your own insurance to cover this.

## Cheshire Union of Golf Clubs Affiliation & County Card

You also pay an affiliation fee to the Cheshire Union of Golf Clubs within your subscription. This includes your affiliation to England Golf which then includes the management of your handicap and other communication from England Golf.

A little used benefit of the affiliation fee to Cheshire is the County Card. Details are below as to what this benefit is and how you can use it.

### **Cheshire County Card 2023/24 valid from 1st April 2023**

All affiliated Golf Club members with an official WHS index, will be able to subscribe for free and download from the start of April 2023.

#### **PLEASE NOTE:**

**IF YOU HAD AN ELECTRONIC CHESHIRE CARD IN 2022, YOU WILL NEED TO CLOSE DOWN THE APP AND THEN RE-OPEN TO EXTEND FOR ANOTHER 12 MONTHS.**

#### **IF YOU ARE NEW TO THE CHESHIRE CARD:**

- Download the IG County app from your relevant app store.
- Tick Cheshire as your home County
- You will need your CDH number.
- You will need the email address you have against your WHS handicap index record.

#### **All about the Cheshire County Card?**

- No cost for the card
- To be entitled to a card you must be a member of an Affiliated Cheshire Golf Club and Ashton on Mersey is affiliated.
- Your details will need to be on England Golf's WHS platform and so have a recognised handicap index.
- Holders of the card can play at most Cheshire Golf Clubs, subject to their own rules and regulations of when the Card can be used (contact the club directly)
- Holders of the card may play at golf clubs in other County Unions who participate in the scheme.
- TO USE THE CARD, YOU MUST Telephone your booking in advance to the Club office or Pro at least 48 hours prior to your preferred date. It will be rare that Clubs will offer Cheshire card rates at weekends.
- Produce your electronic card on request. Note that only card holders with a handicap index, may have discount, so please ensure all those playing on the county card have it downloaded onto their mobile phone and have a current handicap index.
- Card holders cannot book friends who do not hold a county card to receive the discount. This County Card is not open to members of England Golf's iGolfer scheme (Independent Golfer).
- Adhere to the host club's rules and playing conditions of the day. Clubs set the rules around time the time and days of play and the cost of the green fee.

# Reciprocal Golf Arrangements

All of the following are available to Club members but are at the discretion of the hosting Club and subject to the availability of tee times. The Clubs involved all have the opportunity to play at AOMGC but have to adhere to the same booking arrangements i.e. only when tee times permit.

There is a limit on 1 x 4 ball per day. Booking at the weekend may not be available unless after 2pm on a Sunday and, again, subject to the host Clubs tee time availability.
