General Managers report

*General manager report August
2020*

It is encouraging to see a gradual increase in the volume of customers using the food and beverage facilities at Donnington Grove. We had a return inspection from EHO, West Berkshire on Friday scoring us 5 for our food hygiene rating.

*What have we
learnt:*

Large societies do not socialise – I have since written and refused further meetings while we are in the pandemic restrictions. I consider this very disrespectful behaviour

There is now a much more structured system to allow small societies to enjoy the beverages on offer while using a voucher to purchase alcohol – two max per person

Distanced tables work – standing and socialising next to them does not – I’m asking for your support to communicate this amongst your roll up groups and when you see fellow members. The guidelines are clear. Outside one gathering at a table can be 2 households only to a max of 6. I am particularly irritated with groups of members that continually swap tables once seated and stand with drinks – socialising and argue back to staff – what are you going to do about it. The simple answer is that anyone or any member being abusive or persistently causing an irritation will be barred until the pandemic restrictions are lifted. – no exceptions.

Staff behaviour – members have questioned staff procedures and feedback observations, I meet with the team regularly and we discuss concerns, some are valid and in particular I take seriously any comments that suggest the staff are “debating” or arguing back to the customer. Personal opinions are personal, and I have implemented systems to keep staff safe and customers safe. It is not an option for the staff to decide which procedures they follow – example face coverings.

Refreshments buggy – will continue to circuit the course, I would like to encourage more feedback from the ladies, we added G+T, Pimm’s, Fruit juice soda tins, without many takers

This weekend will see the return of afternoon tea, Roast Sunday lunch and a trial link up with the empire bakery for homemade cakes and buns for the halfway hut – currently operating from the kitchen.

Extended hours of service will be determined by the feedback obtained when the pro shop staff ask if you intend to use the bar facilities after play – this is more current for later tee times and is continually monitored. While everyone using QR codes has great feedback from other venues we will maintain the NHS track and trace and order system to capture ALL information, relying on the NHS QR code alone does leave gaps if the customer, a non-member – not on our tee sheet, chooses not to enter information.

I am delighted to have the halfway hut back in our control and I know that once we have decorated, purchased equipment we will have a great platform for a great service.

Trophy cabinet in the bar area – awaiting quote – not Bruno.

Reminder that Eat out to help is now in operation Mon, Tues, Weds, through August. Members discount still applies. Food and beverages – not alcohol purchased and consumed in Beaus bar and restaurant – not take away or buggy items

Finally, it is great to continually meet so many new members, since we met last, we have closed our membership. There will not be residential golf until we have restricted the package and restricted the group size allowed, if at all. The swing room is under construction alongside the short game practise area and the drainage Infront of the Pro-Shop is scheduled for next week. The perseverance and determination from Tom, Dave, and their teams to move forward with projects is rewarding and I can’t thank them enough for their commitment to the club as we progress in unprecedented times.

Matters/Actions arising from General Managers report

SB – The committee fully support the enforcement of a ‘no abuse’ policy and the potential banning of members

SL – the Drinks buggy is a good idea, but costs seem high

NRG – the prices are the bar prices. Will review members discounts

PG – why is alcohol being sold on the buggy?

NRG – because this is not encouraging socialising

SL – when will the halfway hut be back

NRG – hopefully by the end of the month. Work continuing the building

NB – Why not just staff the halfway hut and remove the buggy?

NRG – that is the plan when the halfway hut is back

NRG – will look at making the buggy stationary at the halfway hut

Director of Golf's Report (including course report)

TF Reported

Membership has been capped at 644

A waiting list has been introduced

A joining fee of £600 has been introduced

The swing room and short game area construction is underway

- *Swing room expected beginning of September*
- *Short game area will not be open until the new year*

The new marshals are now in place

Course maintenance started this week

Matters/Actions arising from Director of Golf report

TF Competition booking & payment via members cards & Club V1 – carried forward

NRG – How will the new membership/waiting list work?

TF – To be confirmed but probably on a 1 in 1 out basis

SL – Is there any breakdown of 5 day/ 7-day membership numbers

TF – numbers to be supplied

IG – can the 6th hole be pick and place

TF – it is already and will be until further notice

NB – Can daily rules be displayed on the first tee?

TF – boards have been ordered for outside the pro shop and the first tee. These are for the WHS system coming into effect in November. There is space on these for daily rules

IG – who is paying for the boards?

All – unanimously agreed as 50/50 Santrend and the committee.

PG – are the boards vandal proof?

TF – will find out

SL – when will the boards be in place

TF- there is a 6-week lead time. The boards have not yet been ordered

GL – Are handicap & slope details being positioned at the pro shop?

TF – yes, they will be put up on notice boards

GL – What is happening with the flower bed on the 15th?

TF – will speak to the green keepers about this

Treasurer's Report

(GL) Presented the accounts for the current year. Competition income and expenditure shows a nett income of £543.51. (which includes provision for all competition vouchers etc).Expenditure,

which consists totally of club entry fees to county competitions, which have been carried over for next year due to all county competitions being cancelled during 2020, stands at £460.00, which gives a nett income of £83.51.

The Captains Charity account is showing a very healthy balance of £6113.43; this is inclusive of a Match Funding by Good Exchange of £3000.00

Matters/Actions arising from Treasurers report

Carried forward action:

(SL) Asked for clarification as to which expenditure the committee is liable for, and which the company (Sandtrend) is liable for

(AS) and **(GL)** to meet to compile a Q and A document, and to arrange a meeting with **(NRG)** to discuss.

New matters:

PG – would it be possible to work out an annual surplus, so we are aware of what is available on an ongoing basis

GL – Yes it can, but the bulk of our current surplus has grown over 16 years, mostly through unclaimed vouchers

GL & AS will produce a budget for future years

Competitions Sub Committee

The following topics were discussed at the competitions sub-committee meeting on 3rd Aug

Divisions for monthly / non board comps

- Ewen Thompson has reviewed previous medal and stableford results to ascertain if we can better align playing numbers across divisions.
- It looks like a split that would result in balanced divisions will be up to 11, 12-17, and above.
- He is going to run these numbers again including the more recent competitions since lockdown and the increased membership
- World Handicap System
- Steve Gridley is to produce 4 Email 'flyers' to send out in the weeks ahead if the implementation, these will be simple bullets points, focusing on just the important messages
- These will be simple bullet points, focussing on just the important messages; -

E-mail 1 sent out seven weeks prior to implementation

- Your new Handicap Index
- What it means
- How it will be calculated

E-mail 2 sent out Five weeks prior to implementation

- How to get your Playing handicap on the day

- *Yes, it is – will be booked into Club V1*

SL – need to know who has paid for the Club Championships

- *SB is maintaining this information*

Lady Captains Report

Unfortunately, there is little to report this month.

We have had a significant number of new Lady members who have joined the club over the last month, this is fantastic news and a great boost for our section.

The Thursday Ladies Roll up has now been set up and 2 have now taken place. The first week 32 Ladies played in 4 ball teams followed by tea & cakes & this week was pairs matchplay which again was well supported with 24 Ladies taking part.

I am continuing to cancel all Mixed & Ladies matches on a month by month basis and offering corresponding dates for next year.

Questions Matters Arising from Report

AL – we have had contact from Drayton Park about upcoming matches / whether to hold them

- This is a lady's section decision to make

Senior Captains Report

Integration of New Senior Members

There has been a large influx (80+) of senior midweek golfers (mainly from The Valley) and we have tried to be as proactive as practicable in making them welcome and integrating them into our somewhat curtailed activities as we ease slowly out of COVID restrictions. Our efforts so far are as follows:

- All new members have received a welcome message and encouraged to play as full a part as they wish in our activities (between 30/40 new "active" seniors are anticipated).
- our senior's informal management group have met with the Valley captain and vice- captain for this year and the Captain from last year to exchange information and agree an initial "strategy" for integration.

- Ralph Peedall (Valley Captain 2020) has agreed to join the senior's management group.
- Valley members used to roll-up on Mon/Wed/Fri and we do Tues/Thurs. We are in the process of agreeing a "joined up" Senior Monday roll-up from 8.00am with Tom F.
- We have a "meet and greet" golf morning on Monday 10th August. So far about 50 have signed up (30+ new members and 19 established seniors);
- we will be mixing the teams and ensuring significant newbie representation in the planned 3 or 4 summer senior friendly matches happening in Aug/Sept.
- new members have been invited to join the Autumn tour to the Vale of Glamorgan and eight have now been added to our normal full capacity of 20 (organising COVID friendly social arrangements should be an interesting one); and,
- We are going to play an oldies versus new members 12 a side match on Wednesday 26th August.

Summer Friendlies

We are playing three (perhaps four) friendly matches in August and September. With an eye on the increased midweek usage, the dates of the home matches have been spaced (18th August and 1st of September) and will start outside prime time at 11.30am. The matches will be conducted with a strict social distancing procedure in place both on and off the course but, given they are the life blood of the Seniors section, we decided it was important that some were started.

Management of Roll-Ups

Understandably the midweek roll-ups have suffered somewhat during the COVID restrictions and we need to provide a robust system to attract participation by both the established members and new ones. I am aware that Tom Fleming wants to discuss how best to manage these for the rest of COVID and perhaps into the future. The Senior management group's position on this is as follows:

- we must back Tom in his efforts to plan the good utilisation of tees which is difficult if you meet on the tee to make a draw.
- so that Tom can plan, we need to pre-book.
- the draw needs to be made and published the night before.
- if you pre-book but make the draw the next day (by the pro-shop or on the tee), there will not be the necessary incentive for players to pre-book.
- Tom needs a standard system for club roll-ups (that he runs), Ladies roll-ups and future Senior roll-ups.

Senior Pairs Charity Bowl

This was a great success with almost 80 players (17 ladies) and over £1,400 raised for the Captains' Charity. Peter Drummond and Barry Whittaker were the winners.

Men's Seniors Pairs Open

A great shame, given the success of last year, but this has been cancelled because of COVID. An alternative internal charity midweek fun golfing day is being considered.

TOGS

A highly successful first TOGS after the lockdown was run on Thursday 30th July with a record turnout of 43. Beautiful golfing weather and a well-deserved relaxation on the terrace afterwards.

Matters arising Senior Captains Report

TF to send monthly report to the whole club - Carried forward

SL – should seniors matches be running given the COVID crisis

IG – seniors are making decisions on a match by match basis and will cancel if there is a spike in covid cases

PG – what was the response to the Email to seniors re matches

IG – 30 + responded positively

Presidents Report

HI All

Please accept my apologies for not joining you this evening, Mr Sunak with his “Eat out to Help Out” is to blame, the world has gone mad, (I am pleased to say). Staying on the subject of the current situation we still find ourselves in, I am sure there are a lot of people in the country and at DG that think we are through the worst of this pandemic, talking to a number of members at the club, it is obvious that it has effected many people in different ways. I spoke to a couple of members who have lost their jobs and are now spending their savings. Things are difficult for many people and many are using DG to get away from their concerns and worries. I believe we need to consider the needs of all our members old and new when we are making decisions that may influence their down time from the current climate.

So, what has been going on in “Presland”

Things are now starting to move as some of the restrictions are being relaxed, Jeremy from Ultimate signs have completed the new Captains photo frame, which matches the new honours boards, and thanks to Ali with some coordination on the day should be at the photographers having the pictures mounted. Hopefully, we should never have to purchase a photo frame again. All the honours boards should also have been updated for the 2019 playing year, and he should

also have rectified some spelling mistakes. Thank you again Ali for your help. The only fly in the ointment, after many years we have made space for the Senior Captain to be included on the frame, however it would appear there will be an empty slot, so we may have to think who's lovely image we replace the Senior Captain with, unless of course they change their minds and chose a Captain for 2021.

Steve and I are planning to spend an evening or a morning at the club just to move some of the boards around so they do not appear so randomly placed around the room.

I have spoken to Paul Culley and Bruno regarding the proposed new memorial area on the back nine behind the 14th green. I am pleased to say both parties have confirmed they will help with some groundwork and the building of a new memorial board for the area. I will be talking to both Paul and Bruno to establish any costs involved, hopefully I will be able to keep costs to a minimum but will come to committee for approval before we start the project. After the sad passing of Tim, I have two thoughts, which your thoughts and feedback would also be appreciated.

a) Should we include Tim on the memorial board.

b) Should the new memorial area be name in his honour, and maybe ask a family member to open the area when complete.

There is at present a memorial bench at the club, which is at present on the practice range, my intention is to refurbish this bench for the new area, it has also been suggested to me to place a cherry tree in the area to provide some shade, I will explore the costs. Tom has had a request from the number of new members from DV to place their memorial bench on the property somewhere. Tom has suggested the bench be placed on the new short game area, what are the thoughts of committee if we placed the bench in the new area when complete?

I was hoping the government would solve one problem for me, buy relaxing the number of people you are allowed at a gathering. Unsurprisingly as some areas of the UK are re-entering a period of lockdown this did not happen. There are several points of the club constitution which need to be changed for us to move forward. To change the constitution, I would have to call an EGM, this I obviously cannot do. Speaking with Nigel he suggested we have a virtual meeting. So, my intention is to send to all members a copy of the motions of change to the constitution, with explanations why we wish to change them. They will then be able to vote, or ask any question relating to the motions within a two-week time frame. Any questions asked will be discussed and answered and the answers published. If required another vote may then be needed again in a two-week time frame. We used this method for this year's AGM for questions asked, and it worked well and feedback from members was positive. I wish to press on with this asap, your thoughts please. I have been through the constitution, but if anybody thinks we need to change wording of some points or anything else no may be a good time to do it. Please drop me a line. Gill and I need to get a date into our diaries to meet up to discuss the budgets for this year and the years to come for presentation evenings, and to get together with Nigel to confirm our liabilities with the company throughout the year, Gill I will be in touch, I think we can now complete this safely.

All I can say to begin this section of my report is WOW. The membership has grown (thanks to DV), membership is now closed, a joining fee will be in place, green fees up, good god is this really Donnington Grove. I am sure those of you who have been members a long time feel as I do that these are exciting times at DG, it has thrown some problems at us which, I am sure if we get our heads down we can sort them out for the best for all our members. I am sure we will not nail everything in one, but we need to take this great opportunity and make DG the best club in the area.

It has been strange when playing not knowing every face on the course, the new "Welcome to DG" tee slot on a Saturday has been a success, we have hosted new members every week since it was introduced, apart from one week. Please get involved, don't wait to be asked just put your hand in the air. Myself and Steve accidentally through having a beer after a round have met quite a few of our new members as they passed us by and many stopped for a catch up (and get their breath back) on their way up the car park. Nigel and I were discussing this and how we can get the new members together, and it was Nigel who came up with the idea of doing the same thing in a bigger way. The New Members Car Boot on the practice ground. So we play the new members cup as we have in the past, we then after the round get the new members to drive onto the practice ground, and either sit in the boot, on the rear bumper or deck chairs, perhaps a social distance BBQ, and the committee members and invited present members have a wonder around and answer questions etc and get to know some new members., and finish with a small presentation. Your thoughts please, sounds a bit of fun to me. Finally, on getting to know someone new, could I ask just once a month we all try and play with someone new. We have had the pleasure of meeting new members each week, and more importantly it means so much to a new member to play with a committee member. It is also great to play alongside somebody else. I am going to have a moment now. Thinking of the new DG and the number of members new and old, I believe it is important we maintain our safe club bubble as much as we can in the present pandemic, we find ourselves in. Tom and the team obviously need to make money through the green fee route, this is financially required. I do however think it is too early to begin to play matches with other golf clubs, we will be inviting groups of people to travel to, play and use the clubhouse facility, which I think is a risk we can do without introducing to our club bubble. Will the teams travel in the correct way (Social Distance) and which parts of the area are they traveling from? It will also put shop and catering team into a risk situation. There will also be a knock-on effect as well to deal with, I can hear it now, "If they why can't we" We will soon be playing matches as before. Before we know it. I for one love match play, and the teams not only of competitors but friends we play with and against each year, it is a sacrifice I will happily make to keep myself my family and those around me safe. Moment Over.

A quick congratulations to Nigel, Tom, Simon, and the DG team on their new 5 EHO rating, for those who are not in the know this is especially significant as the EHO and local government are also rating the Covid 19 risk strategies for business as well. We had a hiccup with the Zambezi group, which shows how difficult it is to maintain social distancing with a large group of non-members in the bar areas. Simon did well to herd them outside and closing some doors, which enabled the inside areas to feel safe again.

The moving on of Graham and Molly is somewhat of a sad moment, but it will be nice to see a smile halfway round. It is however an opportunity to improve the offer at halfway, many clubs are well known for their halfway houses, this could be our chance to do the same. I am sure both Nigel and Simon would be pleased to listen to any suggestions for the halfway offer from us all, knowing what we need is not that easy, some input I am sure would be appreciated. The introduction of the booze buggy at the weekends is very much a great move and very welcome too.

The last couple of e-mails I have received from members have been regarding speeding through the club, and dress code, while I have been witness to the negative on both issue there have been more positives regarding both. I dropped into the pro shop to mention to Nick there was a young guy playing the first wearing a T shirt and training shoes, not only did Nick go out to speak to the guy, he was ready to tell me he had been out to him and what he had done as well, thank you Nick and well done. I was also in the pro-shop, and witnessed Chris firstly ask a member if he

had some different trousers as he couldn't play in the ones he had on, and then sell him a new pair to play in.

Matters Arising / Actions from Presidents report

NRG – we need clarification on the 'Car Boot' idea

NRG -For the EGM, could we use Google Forms as an alternative to a virtual meeting

SL – Can we afford the planned move of the memorial to the 14th

NRG – Will soeak to the owners, especially about using Tim's name

IG – Believe that I am the senior captain until April 2021

SL – to clarify, the question is about the period after April 2021

Donnington Valley Memorial bench:

GL – Why have a Donnington Valley memorial bench at Donnington Grove? The new members are now members of Donnington Grove.

SL – why would we want to 'advertise' another club at DG

NRG – could we put it in a quiet spot?

All – we are not taking over DV. There will be ex DV members going to other clubs. Why should we get their memorial bench?

Action for AS - talk to Christine Palmer for further clarification before we move forward with anything

Upcoming events

Midweek Club Championships

GL – is BRS in line with Club V1. BRS booked out until 3, Club V1 taking bookings until 1:30

- Another 30-minute slot to 2pm to be opened up

Japan Cup – all booked

Greensomes Cup – places filling

Shotoku Cup – re-arranged for 19th September

Club Champs

SB to put out an eMail for volunteers.

AL – can we have coffee and rolls for £5 halfway round

TF – no this will slow things down

NRG – could have the standard 'table booked' for an hour after the round where coffee and bacon rolls for £5 would be available

SB to advertise this

NRG to look at potential other food options

Club Survey

The main outcome of the Club Survey was on the question of competitions – should they be bookable or roll-up

- 24% would rather have rollup
- 30% would rather have them bookable
- 46% happy either way

A summary of the club survey will be forwarded by **TF** to **SL**

SL to publish on the website

Members Questions

The dress code is slipping. It could even be described as poor

TF – An Email has been sent to all members

Will there be more use of the white tees?

TF – board comps only

TF will forward details of why

It can be extremely hard to get a tee time. Are people actually turning up? Sometimes when driving in 10/11/12 look empty.

TF – there are very few no shows. Possibly caused by some people stopping after 9

NB – Should we change the booking procedure to only allow 1 week in advance rather than 2?

TF – to be reviewed

SL – can we say when booking whether it is for 9 or 18 holes

TF – will investigate this

Are people abusing the use of buggies?

TF – signs are in place to direct people

TF – Rules to be publicised

Can we do something about entries for the Club Championships next year to ensure that low handicappers are not penalised for not being quick enough to get their entries in

Agree that the process has not been perfect, due to the popularity of the competition (far too many people for the spaces available)

SB to invite NB on to the competitions subcommittee to review the process for future years

The supplementary card procedures are not always being followed

TF will re-iterate to staff the process

Is there going to be a draw for Free Membership for those who paid up fully by the end of March?

NRG – happy for this to go ahead

NRG to supply the list of those who had paid

A.O.B

NRG – need to think about the time for announcement of the free membership draw.

- *Maybe Club Champs weekend*

GL – has the Winters doubles knockout final been played

SB to chase those involved

SL – is the Pro Am going ahead?

TF – yes, it is on 4th September

SL – Is anything being done to stop pedestrians wandering across the 12th (by walking down the access road)

NRG – will be introducing a barrier system which should reduce this. No date yet.

PG – this needs better signage.

Minutes approved by Donnington Grove Committee and signed by Steve Lillywhite Club Captain

Next Meeting –Digital (Teams)

Date – Tuesday 1st September

Time – 19:00
