

Northampton Golf Club – Members Committee

The Members Committee (MC) is responsible for the organisation and coordination of golf in the best interests of all Members and the Club. In addition, the MC is responsible for the overall conduct of the Members both on the course and in the Clubhouse.

The Members Committee work alongside, but separate to, the Course Liaison Group supporting the NGC Board in the delivery of the best possible Golfing experience for Members and visitors to Northampton Golf Club.

Who are we?

The MC is composed of Members representing all sections within Northampton Golf Club. The Committee is chaired by the Golf Manager and comprises of the following attendees for the 2022 season:-

Luke Barney	Golf Manager & Chairman
Andrew Robinson	MD & Board Representative
Stewart McArthur	Gentleman's Captain
Wilma McArthur	Ladies Captain
Robin Gee	Gentleman's Vice Captain
Bertie Gee	Ladies Vice Captain
Peter Morris	Seniors Organiser
Andy Potter	Juniors Organiser
Rose Heath	Club President
Martin Izzard	Incoming President

In addition, the MC will actively reach out to Members from outside of this group who have the expertise and/or experience to support the MC in the delivery of specific projects or initiatives.

What do we do?

The remit of the MC is to seek out, consider and act upon feedback from the Membership regarding their golfing experience. Actions taken will then be communicated back to the Membership to ensure the Membership remain fully informed at all times. Going forwards we will provide feedback for inclusion in the quarterly update meetings at the Club.

What don't we do?

We would ask that any concerns or questions around the House or Kitchen are raised, in the first instance, with the Hospitality Manager – house@northamptongolfclub.co.uk. If matters remain unresolved they should then be raised with the Managing Director of the Golf Club.

Matters concerning the Course are under the jurisdiction of the Course Liaison Group – greens@northamptongolfclub.co.uk.

The MC does not have financial budgets and, as such, matters requiring financial commitment by the Club will be raised with the Board for consideration.

How often do we meet?

The MC commits to meet each fortnight to consider items that have been raised by the membership. Formal meetings take place each six weeks with minutes shared with the Membership via the Club documents

What do we need from you?

Talk to us!

We are committed to the continual improvement of your experience both on the course and in the Clubhouse. We value your feedback and will endeavour to respond to any matters raised within a maximum of two weeks.
