ASHTON-UNDER-LYNE

GOLF CLUB

A little bit about Ashton-under-Lyne Golf Club

Set entirely within the green belt in the Hartshead part of the town, Ashton-under-Lyne Golf Club has been around just over 100 years.

A fair yet challenging golf course with four sets of tees means the course can be enjoyed by experienced golfers as well as those with a lower level of ability who just want to come and relax, away from the everyday grind, whilst enjoying the glorious views of the local countryside.

Besides our snooker and bridge room, we have two delightful lounge areas where you can enjoy refreshments provided by our caterers ranging from a drink or snack to a full banquet. These rooms are available free of charge for your own private party, although demand is strong and you are advised to book well in advance.

Our Bar/House Manager, Steve Gilligan (07846 570743), will be delighted to help.

In summer you may also enjoy a drink on our balcony overlooking the 18th green which boasts a delightful view of Hartshead Pike and the hills towards Mossley. The balcony is heated for those evenings when the temperature is a little lower than is comfortable. You can see this in the photo at the top of this page.
