Outing to Ross Priory

On Tuesday 26th July, 39 ladies from Cardross Golf Club visited Ross Priory. The sun shone and Ross Priory looked its best, surrounded by beautiful scenery. The course was lovely and everyone enjoyed the golf, whether they were playing 9 or 18 holes. For the first time, 3 social members joined the outing and took part in the quiz as well as lunch. Many thanks to Moira & David Still who made up the quiz, also thanks to Jean Howie for the photos which can be seen in the Ladies' Locker Room. The 9-hole players took part in a putting competition, as well as the quiz, whilst waiting for the 18-hole players to finish. It was a lovely day, enjoyed by all!

Ladies Open Tri-am

Held on a very hot Friday 12th August (well, we did ask for a nice day!) 38 teams took part and the feedback, both verbally and via the survey has been very positive. Although it was very hot, we had some great scores and we raised £735 for Gareloch Riding for the Disabled, which was a superb result! Many thanks to all the helpers and the kind donations to the raffle; the table looked amazing! It was a great team effort, from the car parkers to the announcers, from the registration and scorecards desks to the raffle ticket sellers – plus our great Bar and Catering Teams – thank you!
