

CLONMEL GOLF CLUB

Men's Notes:

Course Remains Closed: Under the current COVID 19 restrictions all golf courses must remain closed. The date that the level 5 restrictions are due to be eased is December 1st. We are all hoping that the current improvement in COVID figures continue in the right direction and that we will be all back playing golf from this date. In the meantime, work continues on course maintenance and other necessary work.

WHS: Last Tuesday all golfers' handicaps changed to the new WHS handicap. Players should now be able to access their handicap index on golfireland.ie. When we return to golf members will see conversion tables which calculate a player's handicap index into a course handicap for each course. All issues with WHS will be dealt with in plenty of time before qualifying competitions return in springtime.

Men's AGM: The Men's AGM goes ahead on Tuesday November 17th via Zoom. Notice has been sent to members and members are reminded that the closing date for receipt of motions or nominations is November 10th. All members will receive a copy of the nominations and motions in the coming days.

Fixtures: On a proposed return to golf on Dec 1st the annual Christmas Hamper will get underway. This competition will run until Friday 18th with one interruption. On Saturday Dec 5th the delayed Pavilion Cup will take place. This is the final POY event of the year. The committee will attempt to run the Pavilion Cup on this date. If for any reason it is not possible to run the event on this date, then the POY will be closed and the current standings will stand.
