

## EREWASH VALLEY GOLF CLUB - LOCAL RULES

- The public footpath crossing holes 2, 6 & 18 and any tractor or heavy vehicle marks or tracks in the rough or fairway are treated as immovable obstructions and the ball may be lifted and dropped under **Rule 16.1**. The public footpath between holes 7 & 17 and crossing 16 is an integral part of the course.
- Direction Posts are Movable Obstructions. Direction Posts installed as fixed, for practical reasons, are Immovable Obstructions and free relief is allowed under **Rule 16.1**. Relief is not allowed to be taken under Rule 15.2.
- Protection of trees identified by either stakes or guide wires – the ball must be lifted, and free relief is allowed under **Rule 16.1**. The ball must be lifted, dropped and come to rest in the 'relief area' according to **Rule 14.3**. The ball may be cleaned when so lifted.
- Any ball coming to rest in a **No Play Zone** must **not** be played as if lies, and relief must be taken under **Rule 16.1b**. The area of grasses and flowers beyond Crompton green and on the front of Village Pound tee, defined by green stakes is a No Play Zone.  
The hut beyond Crompton Green is an integral part of the course.

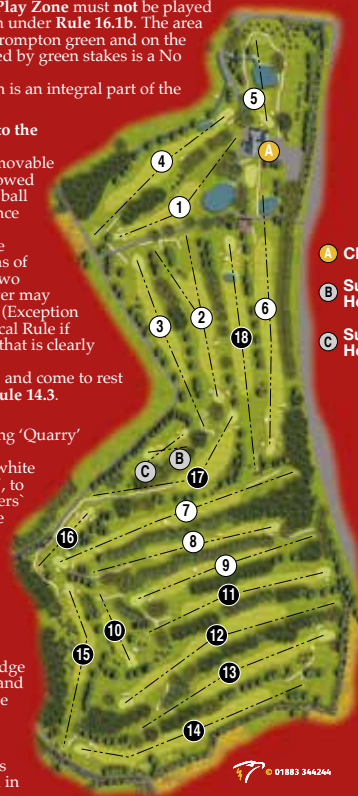

### 5. Immovable Obstructions close to the Putting Green

All fixed sprinkler heads are immovable obstructions and free relief is allowed under Rule 16.1. In addition, if a ball lies in the general area, interference also exists if an immovable obstruction is on the player's line of play, is within two club-lengths of the putting green and is within two club-lengths of the ball. The player may take free relief under Rule 16.1b. (Exception – There is no relief under this Local Rule if the player chooses a line of play that is clearly unreasonable.)

The ball must be lifted, dropped, and come to rest in the 'relief area' according to **Rule 14.3**.

### 6. Out of Bounds

- Into or out of the quarry, including 'Quarry' tees.
- Beyond the white posts and /or white line on the left of 'Village Pound', to the left of the fairway on 'Summers' & 'The Mounds', also beyond the white post next to the tee on 'Stanton'
- Over any boundary fence or hedge, on or beyond the line of vertical roots, taken as the centre line.
- Into or over any ditch or gap bounding the course.  
Any ball crossing a boundary hedge or fence, on holes 1, 3, 4, 5, 6, 14 and 16 onto a public highway must be reported to the Professional.
