

Chorlton Cum Hardy Golf Club Society Prices 2020-21

Society bookings can still be taken and may still go ahead with certain local restrictions permitting. Both clubs/ facilities and society members must ensure that congregations are avoided and that no groups are formed at any time. Government and local lockdown restrictions may also impact on a club's ability to cater for or accommodate society bookings and are subject to change at short notice.

Most days of the week are available for Societies to book, including Sundays, competitions permitting. We can adjust all packages and requirements to suit your Society. Please contact the Club Secretary on 0161 881 5830 or alternatively email secretary@cchgc.co.uk
