

Captain's Report for Delegates Meeting 2nd December 2021

Golf Events Attended

I attended the Bucks Shield Final on 10th October and the Interclub Foursomes on 14th October.

I also refereed the Challenge Cup final on 18th October and the Champion of Champions final on 24th October.

All the events were very well run and thanks to Ellesborough, Lambourne and Burnham Beeches for looking after us so well and to Glenise, Heather and Jackie for all their work in arranging the events.

There was some great golf in all the events.

Other Events Attended

I attended two Midlands South meetings - South County Junior Organisers meeting on 15th October, which was held via zoom and the County Match Week Review meeting on 28th October at Leamington & County GC – the venue for the 2022 County Match Week.

I also attended a County Junior Committee meeting on November 20th at Ellesborough.

County Lunch

This has been arranged for Wednesday 7th March at Beaconsfield.

Elite Training

I met with Tony Bowers to talk about elite training. We have arranged five sessions – Feb 20th at The Oxfordshire, March 20th at Harleyford and April 24th at Beaconsfield for the first team squad and Feb 27th at The Oxfordshire and March 27th at Harleyford for the second team/seniors squad.

I am waiting for a response for my request for a practice day at Leamington and County in preparation for County Match Week.

2022 Events

Lynda, Fiona and I met to arrange dates for Exec and Delegates meetings.

We are printing a poster to give to Delegates at the 2nd December meeting with all the competition dates for 2022 so that these can be publicised at their clubs.

The web site is being updated for 2022 events.
