

Competition Card Marking Procedure for Social Distancing

1. As per normal turn up and advise the Pro-shop you have arrived and are ready to play.
2. Ask your “Marker” to pick up a card on your behalf and to complete it as shown below with the following information.
The name of the competition – The date - Your Tee time - Your Handicap – The tee of the day
NB any cards that are not legible or incorrectly completed will mean the player will be disqualified.
3. On completion of your round ask your “Marker” to show you your scorecard by holding it up or placing it on a flat surface. (at no point should you need to touch your card).
4. If you are happy with the score and how the card has been completed (it is legible) ask the “Marker” to sign it and then using your mobile phone or a digital camera take a picture of your card.
(below is an example of a correctly completed scorecard and an incorrectly completed scorecard)
5. Then send the picture of your scorecard to the e-mail below as this will count as your electronic signature.
