Thank you to all who played over the weekend and to John O'Dwyer for his continued support.

**Bulmers Open Singles:** The Bulmers Open Singles got under way on Tuesday last and in a change from previous years there was also play on Friday in this competition. There was a good entry for the opening week, particularly on Friday. Leading the way was Brian Prendergast with 40 points. The top 40 and ties will qualify for the final which will take place on October 10<sup>th</sup>.

**Woodlock Scaffolding 12 Holes Summer Series:** This new format of competition will run each Monday, Wednesday and Thursday until the end of September. It commenced on Monday last with the weather being unkind on Wednesday but a good entry on Thursday ensured a successful start to this series. An excellent display by Owen Quigley saw him shoot 28 points to take the honours on week 1. The final of this event will take place on Monday 28<sup>th</sup> Wednesday 30<sup>th</sup> of September and on Thursday October 1<sup>st</sup>. The 40 leading players and ties will qualify for the final. The best 2 card aggregate over the course of the series will qualify for the final. A rule specific to this series will see cards that are not entered on the computer being disqualified. We thank Vincent Woodlock for his continued support with his sponsorship of this event.

**Summer Medal and Bulmers Open Singles this weekend:** The 2<sup>nd</sup> POY event takes place on Saturday with The Summer Medal. This will also be the first strokeplay event of the year and will be played from the blue tees. There will also be a strokeplay event for players who wish to play a shorter course. This will be from the green tees.

On Sunday we have our first Sunday Bulmers Open Singles. This event will run on Sundays after POY events so this offers an extra chance for members and visitors to qualify for October's final.

**Captain's Prize Timesheet:** August 1<sup>st</sup> is the date of our Captain's Prize (Mr Pat Quinlan). There will be a draw for partners and a timesheet will be posted in the clubhouse on next Saturday morning at 11am. This will remain until Sunday July 26<sup>th</sup> and the draw will be posted on BRS on Thursday 30<sup>th</sup>.

**Prize Presentations:** the first Prize Presentations will be held on Saturday next. The Allens Fourball, Members Prize and club singles (July 5<sup>th</sup>) prize winners will be presented with their prizes.

**Delays In Competition Results:** Members are asked to be patient on competition results. Because of the club's efforts to keep all members safe from the COVID 19 virus card checkers may only check cards on the day after a competition. This will obviously delay the results process.

**Score Entry:** Men's committee thanks the members for the improvement in score entry onto the computer system. While not all complied, there was a real improvement in the numbers entering the scores after play this week. Please enter all scores after play. The competitions committee have introduced a rule into the summer series which will see players failing to enter their score onto the computer being disqualified. If the computer is not working or unavailable at any time, please write this on the card. In these circumstances cards will be valid.
