

CELEBRATION of LIFE 2019-20

Clandon Regis Golf Club

May we take this opportunity in offering you our condolences to you at this difficult time. When suffering a loss we may mourn the inability to interact with our loved ones, we should also celebrate the life and love of every person that has impacted our lives.

A Celebration of Life allows your family and friends to gather and share memories, this can be with photos, speeches, poems, or music.

Here at Clandon Regis Golf Club we have a professional team that will work to ensure the smooth running of this very difficult day. Our Function Room has magnificent views over the 175 acre course offering a calm and relaxed place to celebrate the life of your loved one.

Our package includes Tea and Coffee available to your guests upon arrival at the club, this can be offered alone or as part of a combination of drinks such as Red & White Wine, Sherry, Pimms. However, you may wish to open the bar to offer more of a selection.

If you have some favourite music that you enjoyed together, this can be played throughout the reception.

Maybe you would like to display some photographs of your loved one, this can be projected so all your guests can enjoy and share their memories together.

Your reception will be held in our private function room overlooking the Lake & 18th Green. Receptions would normally last for three hours; this can of course be extended if required.
