

Southport Old Links Golf Club

----- Greens Notice

USE OF MATS ARE REQUIRED WITH EFFECT FROM MONDAY 30 OCTOBER 2023

OPTION 1

Mats MUST be used on all fairways and closely mown areas.

Mats MAY also be used in the semi-rough.

Mats **MUST NOT** be used in the rough and/or tree copses.

OPTION 2

Members may elect to drop, and place, off the fairway and closely mown areas provided they drop the ball as follows:

AT LEAST TWO CLUB LENGTHS from the edge of the fairway or closely mown area - **not nearer the hole.**

In competitive play you must elect, prior to commencing your round, to play under either Option 1 or Option 2. **You cannot interchange.**

The Greens Committee would prefer members to select Option 1 at all times, in order to ensure the maintenance of quality course conditions during the main competition season.

Thank you for your co-operation
