

PUCKRUP HALL GC SENIORS v THE VALE SENIORS

14.4.22 (Home)

A very pleasing win for Puckrup Hall Seniors against well respected opposition from **The Vale** by
4 games to 2.

Match 1 saw the two Captain's head-to-head and in a game where there were no more than a hole in it. Pete's little Par on the 18th made the difference to record the win and the first point on the board for himself and partner Paul Bevan.

Match 2 was a real rollercoaster after the Puckrup pair of Howard Davis and Tony Byrne went 5 down through 7 holes, squaring it back on the 14th and only losing on the 18th to a super tee-shot and 2-putt by the pair from The Vale.

Match 3 with Steve Rundle and Dave Harris followed a much more normal route before recording a win of 3 & 2, despite the loss of Steve's ball on the 1st. Steve is currently undergoing counselling for trauma after his playing partner's regular comments about his newly classified 'antique' Seniors Polo shirt!

Match 4 was similarly normal with Ian Barnett and Duncan Webb recording an impressive 4 & 2 win.

Match 5 was the pairing of Paul Sumner and Nick Axten-Rice and if the previous Match was impressive, then Paul's stunning round of GROSS 75 was simply "a thing of beauty to watch" in Nick's words and saw them record a huge 7 & 6 win.

The Final **Match 6** pairing of Ian Urquhart and Michael Maxwell was one where we can all sympathise with. When it doesn't go right, it just doesn't go right. And a second shot by the opposition on the 8th hole from a deeply wooded lie, to within inches of the hole, just about summed up their frustrations. A rare loss by the duo as they were previously unbeaten.

Many thanks to our Visitors for making it such an enjoyable day's golf and the final scoreline of 4-2 was thoroughly enjoyed with a very pleasant meal in the Hilton Hotel Restaurant afterwards.
