

# BUCKINGHAMSHIRE COUNTY LADIES GOLF ASSOCIATION

---

## County Junior Organisers Report – Delegates Meeting April 2022

### B B & O Stableford Match

We recently played the B B & O stableford competition against Berkshire and Oxfordshire at Oakland Park. Teams of 8, the best 6 scores count and we won the overall team prize.

Congratulations should also go to Georgia Lloyd (Buckingham) for coming third in the individual competition and Beth Gilmour (Beaconsfield) who won the individual competition.

### Academy training

Our academy programme is under way for 2022

For a number of years now we have two centres for our academy training, Abbey Hill and Wycombe Heights. The training consisted of 6 sessions, once a month on a Sunday for about 3 ½ hrs (including a break).

Kevin at Abbey Hill will continue to offer this for 2022.

Noel Rousseau has been looking after the training at Wycombe Heights for over 12 years and decided that 2021 would be his last year as he has a young family.

Wycombe Heights did not have anyone able to take this on so I contacted Martin Heys at Wexham Park as he has been running a successful girls roll up for a number of years now and discussing ways we could work together. I have been along to a couple of the sessions and it was lovely to see 10-12 girls starting out in golf.

We have therefore arranged that Martin will provide the academy training in the south of the county and after taking in to account the facilities and Martin's timetable, his coaching will be delivered on a Saturday afternoon for 2 hours with a couple more sessions in the Easter and summer holidays.

Anyone unable to do a Saturday will be offered Abbey Hill on the Sunday.

### Pre handicap and higher handicap Par 3 Fun Days

We meet the first Sunday of the month and the aim is to give pre handicaps a chance to keep practising to supplement the lessons they are having at their clubs. You should all now have had a poster with the dates on.

We were unable to play over the winter due to the rising number of covid infection and then the wet weather in March meant we had to cancel the first competition due to the course being closed. We had 8 girls play at Wycombe Heights and it was great to have 3 girls returning but we also had 5 new girls joining and we had a really good time.

The Tiddler trophy is back ! Not played for 5 years we are planning to hold the competition in the summer at Abbey Hill.

And finally..... do you have any ladies who would like to help us with the Par 3 fun days ? We are looking for ladies to come along and help walk the course with the girls who are just starting out and chat to the parents. We have a really lovely group of girls but I could really do with a hand.

Delyth Barnett
