'Just in Time' in July

Hello Ladies

July is upon us already and thankfully from the 4th, we see Covid-19 restrictions being eased. Hopefully, it is 'just in time' for us to enjoy some semblance of normality for the remainder of our summer season.

May I take this opportunity to wish you all a successful and enjoyable Lady Captain's competition. I look forward to seeing you on Wednesday and please remember to pick up your goody bag on completion of your round.

A few words of thanks.....

The Club Council and Ladies Committee continue to work extremely hard to reintroduce 'safe' golf back into our lives.

A special word of thanks to Olwen Sandiford who with Tony, has devised a safe way of collecting competition entry fees without having to handle cash. The online banking payment option is straight-forward and I would encourage you to use this method if you are able to do so.

A big thank you also to the Handicap team of Ros Mann, Jane Houlker and Liz Pell who have spent their Thursday afternoons in the 'garden' processing all the cards. Here they are in action – another memory for the lockdown archives

Finally, thank you to all the ladies who entered their score via HowDidIDo – this has been a great help.

Coming Up in July.....

Madame President's competition is on Wednesday 15th July. We hope you have a lovely day Pat and also a successful gentlemen's weekend.

This year both Madame President and Mr Captain have decided, as is their prerogative, to run a 9 hole stableford competition on their respective days. Clearly, this is in addition to the 18 hole competition.

(NB Mr Captain's Ladies Day is Wednesday 5th August)

Unfortunately, we have had to cancel the Ladies Open scheduled for Thursday 23rd July. The Club Council are keen to ensure the safety of our members and staff and it was felt we would be taking unnecessary risk by having so many visiting ladies attending our club house and course.

The good news is that from the 4th July our club house will reopen and full details of how this will work will be circulated in the next few days. Some of us will be keen to take advantage of the reopening of hospitality and equally there will be those amongst us who feel, due to their personal situation, it is not safe for them to partake at this stage. Please respect and be understanding of each individual's circumstances.

It is unlikely we will be able to have any formal presentations during July but hopefully we can start to consider these in August. We will keep you updated on progress.

Competition Success....
