

Puckrup Hall Seniors V The Worcestershire (away) match report – 16 September 2021

This was the second match between these two clubs in this inaugural year of the fixtures. Both were close competitions, with Puckrup winning their home match by 3 ½ to 2 ½ points earlier in the year. In this away match the result was a draw; 3:3. There was an outstanding win for Martin Hatt partnering Paul Sumner, winning 7 and 6. Martin only dropped two shots on par in the first nine holes. Similarly, Peter Goodger also had an outstanding game when partnering Michael Maxwell. They won their match by 3 and 2. Adrian Tame with Ian Urquhart played a very closely fought match winning only on the last green. But we also had some considerable losses. Ray Jardine and Duncan Webb did their best but watched an opposition pairing play excellent golf to win their match. The meal that followed was excellent. All those attending agreed that this was a great day (helped by fine weather) which helps to strengthen ties between these two clubs.
