

Gentlemen's Competition Calendar – 2022

Please see below a summary of the new 2022 competition calendar. All bookings for these competitions will be handled online using the club's touchscreen terminal or the ClubV1 Members Hub / HowDidiDo apps. Please note that the relevant entry fee will be charged to your HGC Clubcard automatically when you complete your booking.

Alternate Days (Fridays) have been added to the calendar providing extra places for most of these competitions if you are unable to play on the Saturday or if the Saturday competition is full. The system also supports a 'Reserve' list so, if your desired time is fully booked, you can ask to be enrolled automatically if space becomes available later.

The competitions will open for booking at 8:00 pm on the Sunday indicated in the table below.
