

Ashford Manor Golf Club

Club Sections & Matches - Information.

About us

Whether you prefer social golf or competitive golf, Ashford Manor caters for all.

As a founder member of the Middx County Golf Union in 1924, and first winning the Middlesex Champion Club title in 1927, Ashford has been prominent in County Golf for some time. Over the years the Club has also been home to some fantastic golfers, starting with one of the greatest players in British Golf History, Harold Hilton, through to modern day whereby current life member Graham Homewood almost emulated Hilton as British Amateur Champion, losing in the final.

The ladies section also have their notoriety. Mrs George Hunter, a Captain and founder member of Ashford Manor Ladies Golf Club in March 1903, was a pioneer and the clubs first Lady international being a player for Middlesex and England for the home Internationals. Miss Tucker, around the same time, represented Ashford Manor in the British Women's Amateur Championship. In 1973 the ladies won the Middlesex County Pearson Competition.

With a strong membership, and a course to be proud of, playing representative Golf for Ashford could be something that interests you. Ranging from scratch golf to mixed pairs, from seniors golf to team 6 a side competitions, we have a broad range to suit all ages and abilities. Details of many of the sub sections/competitions we enter are detailed below, together with contact details and sign up information. It would be great to see some new faces, and perhaps even "top up" the Club trophy cabinet in due course.

Seniors Golf

- Any male Member aged 60 or over classifies as a Senior.
- No single Club Section for all Seniors, instead there is a loose-knit collection of Roll-up groups, playing at different times, of varying abilities, some specifically for the age group above, whilst others may predominantly comprise senior players but welcome younger players as well.

"The Seniors"

Our golf might be described as sociable with a touch of friendly rivalry. Our aim is to enjoy playing whilst remaining competitive, to encourage and support each other. We organise internal competition and, traditionally, we have been responsible for the Club's Senior matches (involving up to 15 other Clubs), which in recent years has included taking part in the M4 Winter League.

When we play - Monday, Wednesday and Friday early morning.

Age - 60+

Playing ability - No specific limits but effective range between 12.0 and 30.0 handicap Index.

Our programme - Mid-week roll-ups, Summer and Winter internal championships.

Seasonal special events (including lunch). Away days.

Club roles - Co-ordinating annual programme of Seniors Friendly Matches (10 home and away).

Organising Invitational Seniors Open.

Co-ordinating the M4 Winter League Matches (up to 5 home and away).

Contacts: Vets - Tim Kelt (see picture above) and John (Nobby) Clarke.

"The Apprentice Vets"

The Apprentice Vets were formed as a roll-up around 25 years ago when it was felt that the numbers in the Seniors roll-up had become somewhat unwieldy. This roll-up has probably become the main route in which new members – who wish to play mid-week golf – are introduced to a wider group of potential playing partners. Cards are drawn each roll-up to determine partners so the process of meeting and playing with different partners is pretty rapid. Like the Seniors, with whom incidentally we have a very close relationship, we also play friendly but competitive golf for very small stakes (maximum potential loss is £2 per day - an even then you will be able to share in a convivial bowl of chips or two supplied by the winning team). The roll-up itself contains players of all standards from single figures upwards and is, arguably, stronger than the Seniors. Qualification to play – there are no age or playing standards qualifications (if you are accepted by the club as a member that is sufficient).

When do we play - Every Monday, Wednesday and Friday, immediately following the Seniors roll-up with the first group usually teeing off at around 08.30.

Roll-up Format – we play Stableford golf in threes or four (depending on exact numbers) and have an individual comp (with usually a 1st and 2nd prize plus a team comp based on a better ball 2 or 3 scores per hole format).

Other Comps – we organise two Apprentice Vets Meetings (Spring and Autumn) at the club each year involving golf with drawn partners followed by lunch and a presentation.
