

We look forward to welcoming you to the Club on **Sunday 11th October 2020** for our **Mixed Open** competition. Please find attached the start sheet for your reference.

Please do not plan to arrive at the club more than 45 minutes ahead of your tee time. Registration takes place in the Pro shop. Please use hand sanitiser provided before entering the clubhouse. Government guidelines direct that you must wear a face covering when inside the clubhouse until seated in the bar or restaurant area. For convenience we recommend nominating one of your team to register the whole team. For the protection of all, the surfaces inside the clubhouse have been treated with a product called Zoono. This provides an invisible, anti-viral protective film.

The Pro shop will provide score cards, offer an optional 2's competition and remind you of the competition format. You will be responsible for filling in your team names, handicaps and tee time. To help us monitor numbers you will also be asked whether you intend to stay for a meal after golf. Full details are given at the foot of this email. Please change into your golf shoes in the car park. **Locker rooms will be open, but only for access to the toilet facilities and hand washing.**

Please make your way to the 1st tee at least 10 minutes before your tee time. One of our Starters will be there to see you off. Once you have completed your round, we respectfully ask that you vacate the premises following your post golf drinks / meal. We are obliged to record and maintain contact details for each person using the refreshment facilities, so please be prepared to take a few minutes to provide your name, mobile number or email address if we don't already have them.

If you have any concerns about COVID-19 measures please do not hesitate to get in touch and we will do our utmost to make sure you feel comfortable.

Lastly, could we please ask you to share these guidelines with your team so that everyone is aware of the protocol.

All of the Management, Staff and Members are so thankful to you and your team for supporting this Open. Please, enjoy the course, club and fun day out.
