As soon as we return, HCGC is delighted to announce private lessons at our Club. Kevin is a hardworking, talented and a friendly individual that will become the first point of contact at HCGC!

Please make him feel welcome and call in to say 'hello' in his renovated shop. Kevin has accounts with most of the world's leading golfing brands so whatever your golfing need, please ask Kevin who will be happy to supply it. We hope this is a start of a long and successful business venture for Kevin, which in turn provides huge benefits to HCGC and its Members.
